Gregor Hochreiter

Editor-in-Chief

What is your role, and what makes working behind the scenes of In Gold We Trust so special to you?

Editor-in-chief; working on a wide range of topics related to gold and with a highly motivated and knowledgeable team.

Where in the world are your working from?

Vienna, Austria

Gold is considered the ultimate "safe haven".
Where is your personal "safe haven" to recharge your batteries?

Outdoors or in the opera and music halls of Vienna.

At In Gold We Trust, we think a lot about the future. If you could travel 20 years into the future: What is one thing you hope remains unchanged?

The wide variety of classical music performances.

What makes the In Gold We Trust Report truly unique?
Is there a memorable story, fun fact, or number that comes to your mind?

The—purely coincidental—correlation between the price of gold and the length of the *In Gold We Trust* Report; and I'm still trying to figure out whether the rise in the price of gold causes the *In Gold We Trust* Report to grow in length, or whether the causality runs the other way.
